

**OUR GENERAL
CONTRACTOR
ADVANTAGE**

WHAT SETS US APART

At Coastal Steel Structures, we foster a partnership approach rather than merely acting as subcontractors on projects. We believe in going above and beyond the scope of work to gain a comprehensive understanding of the entire project. By doing so, we proactively identify and prevent any potential issues that could disrupt the smooth progress of the project. With Coastal Steel Structures, you can trust that your project will be handled with utmost care and attention to detail, ensuring a successful outcome and a satisfied customer.

OUR QUALIFICATIONS

Providing PEMB to customers throughout the US since 2006.

Distribution facilities and full-service design and project managers strategically located around the nation to meet your needs.

The largest network of certified contractors and erectors.

Partnership with Nucor, the largest steel manufacturer nationwide.

40+ combined years of pre-engineered metal-building expertise.

Experience in a wide number of industries.

T How We Have Faster Lead Times

At Coastal Steel Structures, leverage our network of steel plants, which enables us to guarantee delivery faster than others. This relationship allows us to provide you with more options to fit your needs. We understand the importance of timely delivery, and our strategic partnerships enable us to streamline the process and minimize any delays. By leveraging our connections, you can cut weeks, sometimes months off lead times. With Coastal Steel Structures, you can have confidence in seamless and timely delivery that meets your needs while keeping your budget in mind.

2

We Reduce Headaches

Don't get bogged down by the finer details, let us help so you can get back to managing the bigger picture. By entrusting us with the finer details, you can regain your valuable time and energy to concentrate on strategic decision-making, coordinating resources, and driving the overall success of your venture. With Coastal Steel Structures by your side, you can have peace of mind, knowing that the project is in capable hands, allowing you to focus on managing the bigger picture and achieving your long-term goals.

3

Years of Experience

With an extensive track record spanning numerous industries, Coastal Steel Structures boasts years of invaluable experience. Our team has successfully executed projects in sectors ranging from equestrian and agricultural to commercial and manufacturing. Throughout our journey, we have developed a deep understanding of the unique requirements and challenges faced by each industry. Our ability to adapt our knowledge and skills to various sectors sets us apart, allowing us to deliver innovative and customized solutions tailored to the specific needs of each industry we serve.

WHY WE ARE THE BEST CHOICE FOR YOU!

Coastal Steel Structures is focused on providing you with the customer service and quality you need for your project. We know that contractors manage so many aspects of projects so let us handle the steel building so you can get back to managing the bigger picture. Meet your lead time, quality, and cost requirements by leveraging our expansive network of manufacturers and erectors. Get a quote today! We look forward to hearing from you.
